

**Early Childhood Development and Parent Education Services** are provided by Child Development Specialists certified as Child And Parenting Specialists.

Target Population: Families with children from birth through 6 years of age

Child Development Staff:

- enhance parent-child relationships and the development of young children by providing information and teaching parenting skills to parents of infants, toddlers, and pre-school children,
- prevent or reduce developmental problems in young children
- assist with coping strategies and resiliency for families and children under stress
